Policy Review and Evaluation/Manual Accuracy Check

In an effort to keep its written policies current so they may be consistently used as a basis for Board action and administrative decision, the Board will continually review its policies.

The Board will evaluate the execution and results of its policies. It will rely on the district staff and patrons to provide evidence of the adopted policies' effects.

The superintendent has continuing responsibility to alert the Board of all policies that may need revision.

The Board directs the superintendent to recall all policy and regulation manuals periodically for purposes of administrative updating and Board review.
