OUR MISSION:
The mission of the Jefferson County Education Service District is to provide support services to component school districts in order to improve their abilities to meet the educational needs of 3,600+ students. The JCESD will focus on those services which can be most efficiently provided on a regional, cooperative basis rather than through the efforts of individual school districts.

- Programs for Children with Special Needs
- Technology Support
- School Improvement Services
- Administrative and Support Services
- Assist component school districts in meeting the requirements of state and federal law
- Improve student learning
- Enhance the quality of instruction provided to students

Provide professional development to component school district employees
Enable component school districts and the students who attend schools in those districts to have equitable access to resources
Maximize operational and fiscal efficiencies for component school districts

OUR BOARD OF DIRECTORS

The Jefferson County Education Service District is governed by an elected, seven-member Board of Directors. Four members are elected by zones and three members are elected at large. Two advisory members are appointed by the Board and represent employment and social services. With various backgrounds, each member shares a dedication to meet the needs of the component districts with quality services and programs.

“Educational equity stands at the center of our nation’s growing effort to reform and improve public schools and provide greater educational options to every family.”
