Funding Proposals and Applications

The Board encourages the development of proposals to private foundations and other sources of financial aid for subsidizing such activities as innovative projects, feasibility studies, long-range planning, and research and development. All such activities are to meet the following criteria:

1. They are based on a specific set of objectives that relate to the established goals and objectives of the district.
2. They are to provide measures for evaluating whether or not project objectives are being or have been achieved.
3. The execution of all projects is to conform to state and federal laws and to the policies of the Board.

All grant proposals are to be approved by the Board before being submitted to the funding agency. The superintendent shall establish guidelines for the processing of proposed ideas to the Board for its approval.
