SECTION B—SERVICES CHART

List of services provided in the Local Service Plan ONLY. If the ESD provides services other than those listed in the Local Service Plan, those services SHOULD NOT be included in the chart.

Indicate which state Local Service Plan goal* (numbered 1 through 5 below), addressed next to each service.

Use an X to indicate whether the service is offered to districts at no cost (using ESD dollars), OR if the service is offered on a contractual basis with districts.

Brief description of service

Number of staff hours as an aggregate number only for each of the main four categories in the Local Service Plan: Special Education, Technology, Instruction and School Improvement, and Administration. You DO NOT need to break out staff hours by individual services within the main four categories.

***State Local Service Plan Goals**

- 1) Assist component school districts in meeting the requirements of state and federal law;
- 2) Improve student learning;
- 3) Enhance the quality of instruction provided to students;
- 4) Enable component school districts and the students who attend schools in those districts to have equitable access to resources; and
- 5) Maximize operational and fiscal efficiencies for component school districts.

JCESD Local Service Plan Core Values and Goals

JCESD Local Service Plan

We put kids first: All of Jefferson County ESD's decisions fundamentally address the questions: Will this decision be best for the children we serve; Will it increase access and lower barriers to the success of all of our students?

Goal #1: JCESD will improve students' educational, physical and mental well-being in our region.

We take care of each other: At Jefferson County ESD we put relationships at the center of all we do. We are caring, supportive, and model professional learning to continually improve as an organization and as individuals. We believe that collaboration is central to all the work we do and investing in those relationships is critical to improving the outcomes for those we serve.

Goal #2: JCESD will recruit, support, and retain an outstanding, engaged, professional, and diverse workforce to provide excellent services.

We are innovative and responsive to the need of those we serve: At Jefferson County ESD we listen to and meet the needs of our constituents. We efficiently and effectively respond to data. We are nimble and embrace innovation through flexibility, idea testing, risk-taking and empowering those closest to the work.

Goal #3: JCESD will be the most effective and sought-after provider and partner of educational services in Jefferson County by being innovative and responsive to those we serve.
